In re: Application of Norfolk Southern Railway Company for approval to Reconstruct the crossing of the North Avenue/Brighton Road bridge Crossing above its tracks in the City of Pittsburgh, Allegheny County (DOT #507450B) and for an exemption from the Commission's overhead clearance regulations docketed at Docket No. A-2018-3006432

Dear Secretary Chiavetta,

Interested party in the above-captioned matter Rail Pollution Protection Pittsburgh (RP3) writes to express support for the March 22<sup>nd</sup>, 2019 Motion of Northside Leadership Conference to amend the Second Interim Order of Docket A-2018-3006432, to certify interlocutory order for appeal by permission pursuant to 42 Pa.C.S. §702(b). We believe such an amendment is in the public interest and agree that there is a controlling question of law as to which there is a substantial ground for difference of opinion and that an immediate appeal may materially advance the ultimate termination of the matter. RP3 was denied intervention by the March 8<sup>th</sup>, 2019 Second Interim Order and awaits the outcome of a Petition for Interlocutory Review filed by RP3 on March 20, 2019 currently pending before the Commission.

Respectfully submitted,

Emma Hempstead  
Counsel for RP3
